Yours sincerely,

On behalf of the ISON board,

Activities

20-12: IFMSA: Donorrequest
21-12: RIS: Farewell Reception

Feel free to contact us for more information about these activities!

During the last General Assembly the University Student Council had the opportunity to vote on the highly anticipated new design of the Radboud Honours Academy. The Honours Academy will start to focus on talent instead of excellence. During the General Assembly it turned out that the student council could not vote on the document presented. There will be opportunity to vote on the multi-year plan as soon as it is finished around the end of the year.

During the General Assembly there was a short discussion concerning internationalization. In response to the budget people expressed their concerns surrounding (the reasons for) internationalization at Radboud University. They questioned if it is really to improve quality of education, or if it is to maintain number of students to guarantee the budget will not decline. The Governing Board explained that although internationalization and the number of students are somewhat connected both subjects are being treated separately. When it comes to internationalization quality comes first.

Just as the rest of the Thomas van Aquino Street (TVA) the room of the Student Council will move to a different location next year. From the second semester you can find us at TVA 1. If you want to keep up to date you can like our facebook page Universitaire Studentenraad Nijmegen – USR and see our weekly updates.

If you have any questions, don't hesitate to contact me!

Kind regards,

Thomas Buijnink

AEGEE - Nijmegen

Every month, we will introduce one of our members organisations! This month: AEGEE - Nijmegen.

AEGEE-Nijmegen is a European students' organisation which is part of a European network. We are here for students who want to learn more about Europe and its cultures, students interested in travelling and students who want their student life in Nijmegen to be even more fun! AEGEE is located in 200 student cities across Europe and has around 13.000 members. As an AEGEEan there are many activities for you on a local and European scale both organised by AEGEE-Nijmegen and AEGEE-Europe. AEGEE-Nijmegen travels a lot and during these travels our members get to know students from other European countries. Besides that, our committees organise several activities each week in Nijmegen and we have our social drink each Tuesday in café van Rijn. Below you can find our Facebook page and website for more information.
